Notification

On Moderation/Grace marks for declaration of Results of HSLC/AHM Examination, 2017

The Board of Secondary Education, Assam has done a trend analysis of the previous years, marking pattern and other factors which have impacts in declaration of results.

From the trend analysis, it is transparent that the marks provided by the evaluator varies from evaluator to evaluator. Errors happens, in calculations and also in some cases the evaluator left out certain questions without evaluation. This year there are reports of out of Syllabus questions and translation errors. In addition to the above, this year SEBA as a Pilot project on an experimental basis, evaluated answer scripts of General Mathematics, digitally.

In view of the above, for cushioning, all such errors Board of Secondary Education, Assam in its meeting decided to moderate marks in English, General Science, Social Science and Mathematics of HSLC and AHM Examination, 2017 for extending proportionate benefit to all students. As per moderation policy, so decided, maximum 13 marks have been considered for Mathematics and maximum 10 marks considered in cases of other 3 subjects.

In addition to above the Board of Secondary Education, Assam also decided to continue with the policy of Grace Marks for lower level performance to improve the pass percentage. Under this policy Grace Marks has been provided in maximum 3 subjects @ 5 marks for each subject.
